

# Tia Johnson

CHURCH ADMIN

Tia Johnson joined the St John staff a month prior to the Covid-19 pandemic. Her role at the church has evolved as she continues to support staff and members of the congregation daily. She also assists facilities staff and ministries to broaden the reach that St John has on the Howard County community.

Tia's goal at St John is to serve and interact with the members, making sure they each have everything they may need. Providing a friendly and helpful personality to all those whose paths may cross here at St John is the ultimate aim of her work.
